

Butler 720

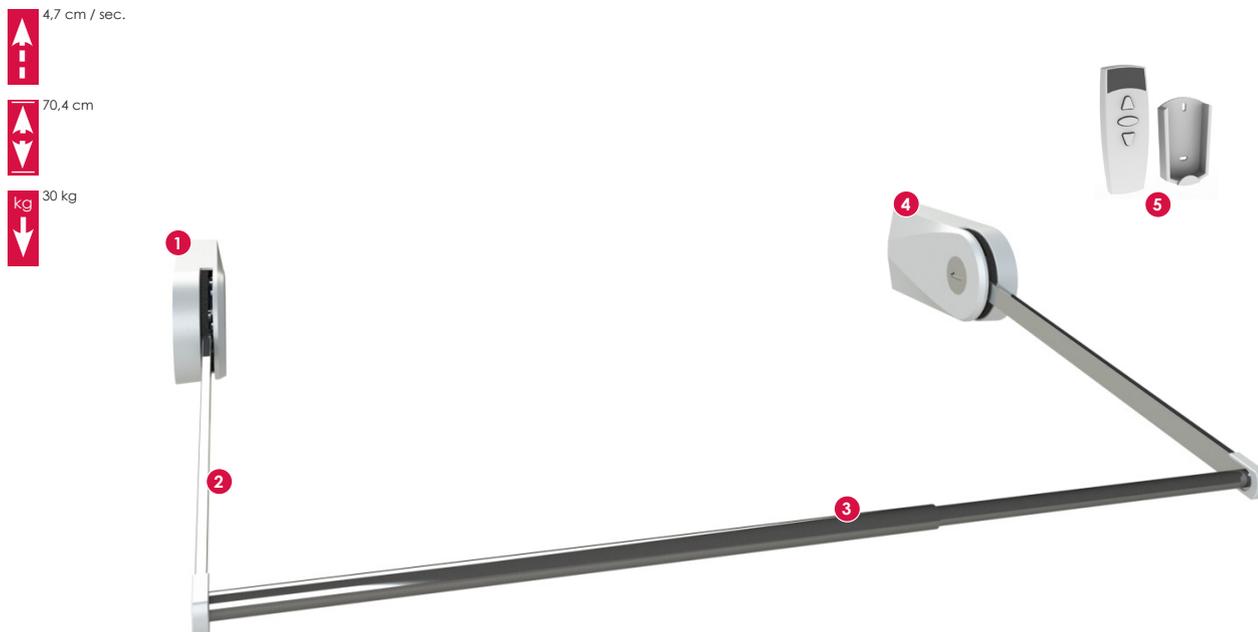

Electric Wardrobe lift

Butler 720

Electric Wardrobe lift

Butler is easy to install in a wardrobe. It lowers the clothes out of the wardrobe within comfortable reach of a seated person. Butler fits wardrobes in with 60 - 160 cm.

- 1 The motors are screwed into the side of the wardrobe.
- 2 Built-in anti-collision that stops the lowering if it comes in contact with any object.
- 3 Butler is available in two widths and is adjustable to fit wardrobe widths from 60.0 to 90.0 and 100.0 to 160.0 cm.
- 4 The motors takes little space in the wardrobe.
- 5 Butler is operated with a handheld remote control.

Butler lowers the clothes to a position outside the wardrobe.

Butler in the upper position.

The motors takes little space in the wardrobe.
