VolanteStor - storage system
Installation guide

IMPORTANT: Do not overload the system, 300mm depth shelves have a maximum weight limit of 25kg and 500mm depth shelves a maximum weight limit of 15kg.
Note: Shelves are NOT included with the kits but are available separately.

This installation guide covers the fitting of a 3 module unit (Kit 1, see pages 2 & 3) and an optional add on unit (Kit 2, see page 4).

Kit 1 (pages 2 & 3)

Kit 2 (page 4)

Maximum height from base of foot to top of wall bracket is 2280mm.

Maximum 2280mm

Brackets must be securely fixed to the floor and walls using suitable screws and plugs (not supplied).
